## CITY OFFICIALS TAKE OFFICE TODAY

Will Hold First Meeting Tonight  
When Mayor Arthur L. Irvin  
Will Address Council

OLD COUNCIL MEETS AT 10 A. M.

Members of Retiring Administration  
Praise Former Mayor Bebout  
For His Conduct of Office

New city officials were inducted into office at noon today. The old council met at ten o'clock this morning to clean up the business of the outgoing administration and a love feast was held, during which retiring councilmen, Former Mayor Bebout and heads of departments in the old administration spoke briefly. The new city council meets tonight, although it is not regular meeting night, because the law provides such a meeting shall be held.

Mayor Arthur L. Irvin's appointees, as announced several weeks ago by him, were read, and the new mayor announced that whatever remarks he had to make on taking office would be postponed until the meeting tonight. Mayor Irvin's committee appointments were the same as under the old administration, except that Frank Abercrombie, 1st ward councilman, takes the place of H. C. Flint, whom he succeeded.

At the love feast of the outgoing administration, appointees of the former mayor and retiring city councilman praised him for his fair dealings and his honest policy during his four years in office. The sentiment of all of them was that Former Mayor Bebout had dealt fairly and squarely and had conducted his office honestly and intelligently. They commented on the fact that the business of the city had been run without friction and that the administration had seemed like one big family, all working for the interest of the city.

Councilmen R. F. Scudder, A. P. Wagoner, H. C. Flint, Chase Maury and E. A. Lee, Supt. Mahin of the water and light plant, Chief of Police Yakey, Clerk Carl Gunning and Street Commissioner Havens all expressed these sentiments. J. P. Stech, retiring city treasurer, was the only member of the old city administration not present.

The former mayor expressed his earnest and sincere thanks to appointees and councilmen for their courteous treatment of him during his term in office. He commented upon the fact that everything had run smoothly and without friction, and that he had not missed a council meeting during his term. Mr. Bebout expressed the belief that every member of the council had tried to do right as they saw it and had voted intelligently on every matter coming before them.

The former mayor said that he was glad to have been mayor and that he knew he had not pleased everybody, but that he had tried to do right regardless of who was benefited or affected in any way.

"And I am going out of office with my conscience clear," he declared.

Mr. Bebout also referred to the city treasurer's statement for December showing net funds available amounting to \$25,530.12, and contrasted this condition with that of the city's financial affairs four years ago when the treasury was depleted and the administration taking office had to assume an indebtedness of between \$10,000 and \$12,000.

In addition to Mayor Irvin, new officials taking office were: treasurer, George Helm; clerk, Earl Osborne; councilmen—first ward, Frank Abercrombie; second ward, E. A. Lee; third ward, A. P. Wagoner; at large, Chase Maury and R. F. Scudder.

## INSPIRING WAR TALK GIVEN

Dr. W. B. Schultz of Ohio at Methodist Church.

Dr. W. B. Schultz of Worcester, Ohio, gave an inspiring address at St. Paul's M. E. church last evening taking for his text "He taught them as one with authority," and dealing in his sermon with the war and the question "why we are fighting it." His answer to the question was because of the material teaching of Germany; because of the fact that they have denounced the Christ and denied Him and put the Kaiser in his stead. By such teachings, they are disclaiming the divinity of Christ. Dr. Schultz's talk gave many ideas on the war and showed in graphic terms the right that is to come from it.

## DRAFT LAW HELD CONSTITUTIONAL

Supreme Court Decides Arguments  
of Objectors Are "Absolutely  
Without Merit."

## RAISING ARMY IS NOT SLAVERY

Grounds For Opposition to Draft  
Challenges Existence of All  
Powers, Court Says

(By United Press.)

Washington, Jan. 7.—The supreme court today declared the draft law constitutional.

Chief Justice White in handing down the decision said the supreme court had reached the opinion that all of the arguments of the objectors were, "absolutely without merit."

Our mind is unable to conceive that raising of armies by draft is slavery, Chief Justice White said.

The decision of the court was unanimous. Refuting the argument of the draft objectors that congress did not have power to select men the chief justice said:

"As the mind cannot conceive an army without men to compose it, on the face of it, the question that it does not give power to provide for such men would seem to be too frivolous for further notice. The grounds for opposition to the draft challenges the existence of all powers."

## RUSH COUNTY TREATED TO RAIN AND SNOW AND WARM AND COLD WEATHER IN 48 HOURS

Rush County Treated to Rain and  
Snow and Warm and Cold Weather  
in 48 Hours

## NO COAL IN THE CITY TODAY

Rush county has run the whole gamut of weather conditions in the last forty-eight hours and is now back to where she started late last week when the cold wave disappeared. Saturday most of the snow melted and rain began to fall late in the day and continued most of Sunday. Yesterday afternoon the mercury began to drop and this morning was eighteen above. The temperature during the middle of the day was twenty above, according to the government thermometer at Maury, but warmer weather is promised for tomorrow. Rainfall amounting to .78 inches fell yesterday and during the night changed to snow, which continued to fall all day.

The usual condition as regards fuel prevailed today, the city being without coal. The two cars received Saturday did not last long and no more arrived today. The county fuel administrator today requested eleven cars of coal for Rushville—one each for Carthage, Gings, Falmouth, Glenwood and Milroy and six for Rushville. Not much coal has been coming through for Rush county from the fuel administration, due to heavy demands elsewhere.

## NEW PLAN BEGUN BY W. R. SPURRIER

Six-Day-a-Week School System to  
Dismiss Boys in Time to Work on  
Farms in Spring.

BEGUN IN PRINCETON, ILL.

Former Rushville Man is Commended  
Highly For Patriotic Scheme  
to Get Farm Labor.

Whitelaw R. Spurrier, formerly of this city and now principal of the township high school at Princeton, Ill., has inaugurated a system in the schools there which is gaining favor over the state and many others—that of running a six-days-a-week school in order to dismiss a month early, thus giving the school boys an opportunity to work on the farms. In this way, Principal Spurrier will be instrumental in releasing 125 boys for spring work on the farms and will help increase the crop production in the county. Mr. Spurrier is a son of Mr. and Mrs. John A. Spurrier of this city.

Teachers and scholars of the Princeton schools have accepted the new plan enthusiastically. The schedules have been rearranged so that no course of study is slighted. By running school every Saturday as well as the remaining five school days of the week, all of the semester's work can be completed by May 7 instead of one month later.

The Princeton plan has been recommended to the other high schools of the state at the annual teachers' association meeting and has been highly endorsed by State Superintendent Blair and Dean Davenport of the Agricultural college of the state university.

In his letter to Principal Spurrier, Mr. Blair stated in part: "Should such a plan be found a possible one for all the high schools of Illinois our difficulties in farm draft could be easily taken care of without such radical adjustments as we suppose might be necessary."

The suggestion has also been made to Mr. Spurrier that the terms be rearranged in such a way that the school boys to aid the country in this month of November to aid in corn husking. It has been suggested that November is the busiest month of the year for farmers and that farm labor has been greatly decreased by the number of farm hands that have entered the army. With one million in the service, it is difficult to get enough help and the farmer who endorsed the plan to Mr. Spurrier said by next November, the situation would be in the service, taking many more hands away from their work on the farms.

Concerning the opportunity for school boys to aid the country in this way the practical farmer states, "It is a labor that high school boys can do and a profitable one for them, too, for it is piece work. They could get six cents per bushel or perhaps a little more. It is comparatively light work but regular. The farmer boys know all about it. The town boys could easily get work in pairs on a wagon and the farmers would be glad to get them. Two boys could husk 70 bushels a day or could earn around \$2.50 a day. They would earn exactly what they do. They would need no gymnasium work during the time for in the husking field is being in nature's gymnasium."

"Now if the high school boys of the country towns of Illinois, Indiana, Iowa, Eastern Nebraska, and Ohio could start a month earlier in the summer by working the plan you are working this year, but instead of leaving out a month earlier in spring, give the month of November as corn picking vacation, you would be giving the labor of the boys of the community in the very busiest time."

Wilbur Beale is ill at his home in West First street.

The last batch of questionnaires will be sent out tomorrow, but it will be some time before the county army selection board has classified all of the registrants. The board is now behind—in fact the board never had any thought of classifying as fast as questionnaires were returned—because questionnaires have been coming back the last few days faster than they were being sent out.

Up to this morning when the board went into session, 536 registrants had been classified. The total number to be acted on is near 1,400, so that there yet remain more than 700 to classify. The board has been averaging about fifty a day so that it has at least fourteen days work ahead.

The board has listed the first non-combatant registrant. He is Harold E. Ratliff of near Carthage, who stated in his questionnaire that he had religious prejudice against war, being a member of the Friends church. He has been placed in class one and will remain there regardless of his religious belief. He will be called in his regular turn, but will be assigned to non-combatant duty, according to the selective draft regulations. It is understood there are two or three others who assert they are members of religious organizations opposed to war.

Robert Helm appears in class five today, having been placed there because of having been found physically defective. He had not yet been classified, but was given permission to be examined while home from Miami university on holiday vacation.

Paul Spacey, originally classed in one by mistake, is today placed in class four because of dependency claims. The error was made by the

## NEW CASE OF DIPHTHERIA

Harry Kennedy is Afflicted—Another Culture Negative

A new case of diphtheria has developed. It is that of Harry Kennedy of West Third street who is twenty-four years of age. The culture has been sent to Indianapolis for examination and although the report has not been returned, the attending physician is practically certain that it is diphtheria.

The report on the culture of Mrs. John Lucas, northeast of the city, who was thought to have diphtheria has been returned as negative showing that she does not have the disease.

## PUT AN END TO PEACE DISCUSSION

Message From German Delegates at  
Brest-Litovsk Reaching Amsterdam  
Make This Plain

GERMAN SOCIALISTS SPEAK

Advise Bolshevik Foreign Minister  
Not to Accept Peace Terms of  
Their Country

(By United Press.)

Approves Premier's Speech

London, Jan. 7.—American Ambassador Page conveyed to President Wilson approval of Premier Lloyd-George's speech to the British statesmen, according to a report here this afternoon.

No details were available here as to the manner in which the American executive had thus approved Lloyd-George's address.

## German Socialists Opposed

Amsterdam, Jan. 7.—Independent socialists in Germany have sent a message to Bolshevik Foreign Minister Trotsky advising him not to accept the German terms and to avoid a separate peace according to reports received here today.

## Allied Premiers to Meet

Paris, Jan. 7.—An early conference of the allied premiers was reported today as likely to be called very shortly. Presumably such a conference will decide the exact outline for a joint restatement of allied war aims.

Amsterdam, Jan. 7.—Notice that the Russian German peace discussion at Brest-Litovsk is concluded was contained in German dispatches from that place, said the Russian delegates today. The message, according to word from Berlin, pointed out to the Russians that the principals announced by the Germans Dec. 15 "were expressly contingent that all belligerents unreservedly within a suitable period, would find they had strictly to observe these conditions."

The message continued that the delegates fix 10 days as the period within which other belligerents were to decide whether or not they will join the peace conferences.

"The central powers now record the fact," the message concluded, "that this period has now lapsed and so far there has been no declaration regarding participation received from any other belligerents."

## ARRESTED AS GERMAN SPY

Hans Kipkie, a florist formerly employed at Moore's greenhouse here, has been arrested as a German spy at Hattiesburg, Miss., Kipkie left here about ten years ago, after being employed at the local greenhouse for several years. He was known here as John Kipkie and will be remembered by many people. Kipkie will stand trial, according to dispatches from Hattiesburg. Kipkie is unmarried.

## SIX DEATHS HERE IN LAST 48 HOURS

W. H. Williamson, Mrs. Asenath  
Drennen and Frederick Collins  
Expire Near Arlington

ISAAC BORING SUCCUMBS

Ill Only Five Days With Acute  
Indigestion Which Affected Heart  
—Death Due to Diphtheria

Six deaths have occurred in Rush county during the last forty-eight hours, an unusual record for so short a time. The first of the six to die was Mrs. Sarah Isabelle Gilson who expired at three o'clock Saturday afternoon. Three of the persons died near Arlington. They were W. H. Williamson, an old soldier, Mrs. Asenath Drennen and Frederick Leroy Collins, the infant son of Mr. and Mrs. Harry Collins. Burnard Canady died of diphtheria at the home of his parents northeast of Falmouth yesterday morning and Isaac Boring died at 11 o'clock this morning at his home northwest of Milroy.

Mr. Boring's death was caused by acute indigestion which affected his heart. He had been ill for only five days and died at the age of 73 years. He was a member of the Odd Fellows lodge in Milroy. The survivors are a widow and two daughters, Mrs. Jack Morgan and Mrs. Bate. Arrangements for the funeral have not been made.

Just two hours before, at nine o'clock, W. H. Williamson, died. Mr. Williamson was 81 years of age and asthma of the heart caused his death. He had been sick for about two months and during the last few days had grown much worse. He had served as a soldier in the Civil war. Mr. Williamson is survived by his widow and four children, Tom Williamson of Indianapolis, Oscar Williamson of near Arlington, Mrs. Nellie Six and Miss Ruth Williamson. The funeral arrangements have not been completed.

Mrs. Asenath Drennen, wife of Winfield Drennen, died at 2:30 this morning. Mrs. Drennen was 60 years of age and her death resulted from dropsy. Mrs. Drennen is survived by her husband and seven children who are Mrs. James Moore, Mrs. Bert Spacey, Bert Drennen, Carl Drennen, Cecil Drennen, Leslie Drennen and Ben Collins. The funeral services will be held tomorrow afternoon at 2 o'clock at the Arlington Methodist church with burial in the Arlington cemetery.

Frederick Leroy Collins, the infant son of Mr. and Mrs. Harry Collins of near Arlington died of a complication of diseases. The baby was eight months of age and had been ill for two months. He died at one o'clock this afternoon.

Mrs. Sarah Isabelle Gilson, 63, died on Saturday afternoon at 3 o'clock at the home of her son H. D. Gilson of this city. Mrs. Gilson has been ill for several years with valvular heart trouble and recently her condition grew much worse. She was the widow of the late Thomas Gilson. Three children survive, H. B. Gilson, Mrs. Al Reeve and Mrs. Carl Retherford. The funeral services were conducted this afternoon at the Center church with burial at the Knightstown cemetery.

Burnard O. Canady, the four-year old son of Mr. and Mrs. Claude L. Canady, died yesterday morning at the home of his parents four and one-half miles northeast of Falmouth yesterday morning after a two days illness with diphtheria. He was stricken with the disease on Friday and grew worse until the death. The funeral services were conducted yesterday afternoon at 2:30 o'clock with burial in the Calvary cemetery.

## Days Pickings

Frank Muire, who has been employed in Richmond, has accepted a position in the Hargrove and Mullin drug store.

The Indian Refining company has filed suit in the circuit court against Samuel H. Colter and Willard W. Colter on an account, demanding \$350.

The divorce suit of Mary F. Beaver against U. G. Beaver, which was filed in circuit court here, has been sent to the Decatur circuit court at Greensburg on change of venue.

Dr. A. A. Muff has filed suit in circuit court against Fred H. and Clayton Dagler on a note and an account, demanding \$40 on principle and interest and \$20 attorneys fees.

Mrs. E. W. Ball, instead of Mrs. F. W. Ball as stated last Friday, is the person who has purchased the largest number of Thrift Stamps at the post-office. Her purchases amount to \$550.

Charles Glover says the fire department made a mistake reporting a fire Saturday at his house because there was no fire. It was stated at the fire department that a small bunch of shingles, near the stove caught on fire.

Classes were resumed at the Catholic school this morning after the school being dismissed for three days because of the lack of fuel. Only a small amount of fuel is now on hands but a large shipment is scheduled to arrive the middle of the week.

Lieutenant Raymond Ross of the French aviation service who spoke in this city during his furlough from France has left his home in Crawfordsville for New York and will sail on the ninth of January for France. Lieutenant Ross was granted a furlough of several months as a result of slight wounds he sustained from shrapnel.

Mr. and Mrs. Eli Stephens of Center township can probably boast of having the first baby born in Rush county during 1918. They have a new son which was born on New Year's day at 5 o'clock in the morning. If any Rush county baby can surpass the record for a New Year's birthday, the birth report has not yet been handed into the board of health.

Sergeant Harold Pearce who has been in training at Fort Houston, Tex., out of San Antonio, Tex., has been chosen as one of the three men out of a hundred in the ordnance department to go to Camp Meade out of Baltimore to take training in officers reserve. He may be sent to France from Camp Meade, although it is not definitely known. The course at Camp Meade will last 3 months.

If her existence is made gloomy by the chronic weaknesses, delicate derangements, and painful disorders that afflict her sex, she will find relief and emancipation from her troubles in Dr. Pierce's Favorite Prescription. If she's overworked, nervous, or "run-down," she finds new life and strength. It's a powerful, invigorating tonic and nerve which was discovered and used by an eminent physician for many years, in cases of "female complaints" and weaknesses. For young girls just entering womanhood; for women at the critical time of life, in bearing-down sensations, periodical pains, ulceration, inflammation, and kindred ailments, the "Favorite Prescription" is the only medicine put up without alcohol—ingredients on wrapper. All druggists. Liquid or tablets. Tablets, 60 cents.

ELKHART, IND.—"After becoming a mother I could not gain back my strength. ## Amusements

Particular attention attaches to the announcement that the feature at the Gem theatre tonight will be Baby Marie Osborne in, "Tears and Smiles," owing to the fact that this is hailed as probably the strongest picture in which the little star with the big drawing power has even been seen.

The story carries a strong punch, yet it gives the baby a wonderful opportunity both for the delightful light work for which she is famous and for emotional acting, of which she is now showing herself capable.

"Tears and Smiles," is a straight from the shoulder story, written, acted and produced by people who know box office values.

A Pathe News feature will also be shown. Tomorrow's program includes Gladys Hulette in, "The Streets of Illusion," and another Pathe News series.

Corporal Bill McGinn of the French aviation service will speak this evening to the audiences at the Princess theatre on his experiences "over there." He has an interesting story to tell, according to those who have heard him. A patriotic play will also be shown with Alice Brady in the leading role as, "Betsy Ross." Elsie Ferguson is the feature on tomorrow's program when she stars in "Barbary Sheep." The play "Within the Law," will be shown on Wednesday and Thursday in which Alice Joyce has the lead.

Thirty-nine more were classified Saturday, twelve going in class one, nine in class two, fifteen in class four and three in class five. This brings the total placed in class five up to 162.

## SKIDS INTO LIGHT POST

The cluster lights on the southeast corner of Second and Main St. were broken this morning when the machine which William Richardson of Glenwood was driving skidded and ran into the lamp post. Mr. Richardson paid \$83 for the re-installation of the lights. The accident happened as Mr. Richardson was going south and started to turn east at the corner. The ice and snow caused the machine to skid.

# NOT DUE TO SEX ALONE

Rushville Women Have Learned The Cause of Many Mysterious Pains And Aches

Many women have come to know that sex isn't the reason for all backaches, dizzy headaches, and urinary disorders. Men have these troubles, too, and often they come from kidney weakness. To live simply, eat sparingly, take better care of one's self and to use Doan's Kidney Pills, is bound to help bad kidneys get better. There is no other remedy so well recommended by Rushville people. Read this case: Mrs. W. A. Wylie, 824 N. Arthur St., Rushville, says: "I have had kidney trouble and I certainly appreciate what a serious complaint it is and how severely one can suffer from it. My trouble began with a dull, dragging pain across my kidneys and over my hips. I was unable to do my housework for a week and was in misery. Others of my family had taken Doan's Kidney Pills with excellent results, so I got some from Lytle's Drug Store. I started using Doan's and the pain in my back soon disappeared."

Free 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wylie had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—(Adv.)

## Dogs or Sheep, Which?

There is a saying in this country, and it has grown into an adage, that the legislator who desires to commit political suicide has only to introduce and father a dog law, and the people will attend to the obsequies.

Yet the one thing which the various states stand urgently in need is just such legislative timber—men who are willing to forego political preferment if by so doing they can confer a great boon upon the country.

We are told that by the time another clip is made wool will be worth two dollars per pound. This in a country than which there is no better in the world for sheep raising.

What must be the amazement of the peoples of other countries when they are told that the only reason Americans are not sheep raisers is because of the dog—that the average citizen prefer his dog to his either one the sheep must go.

Statistics tell us that this country today is maintaining 25,000,000 dogs—on average of one to every family in the land. Placing the cost figure, these brutes will consume as much as half their number of human beings, saying nothing of their depredations. This is equivalent to feeding twelve and one-half million people or more than it will cost us to feed every soldier we will ever send to France.

But the more feeding of this horde of useless animals is by no means the big item. The great expense lies in the great menace which they constitute to the sheep raising industry.

## REGISTRANTS TO WHOM WERE MAILED QUESTIONNAIRES TODAY

stitute to the sheep raising industry. We would not be so unjust to the canines as to allege that all are addicted to sheep killing, or even would be if there were sheep available to be killed. But the uncertainty as to the guilty individuals brings the whole race under suspicion.

However, this country is now paying dearly for its devotion to the dog. It is conceded by all that his dogship is the one great deterrent to the sheep industry. In sections of the country where the people have had the wisdom to prefer the sheep to the dog prosperity has been a welcome guest. But these communities are rare, and over a large part of our own sweet will.

So long as wool was cheap and easily procurable from other countries, the question as between the dog and sheep was not so pressing, and the American householder could be left in possession of his expensive luxury. Now, however, when the fleecy staple is conspicuous for its scarcity, the decision should be put squarely up to our people: "The dog or the sheep—which?"

This country had as well wake up to the fact that Russia is definitely out of running. The blow is a staggering one to the Allies, but should not be the cause of despair or even of undue pessimism. While her defection gives the German arms much needed relief, yet this country is ready now to step into the breach she has left. And unless all signs fail we shall be occupying that place by the time spring opens. Then again, with the acquisition of Russia Germany will probably acquire more of a liability than an asset. That country will be in the throes of civil war for years to come, and will not cease to be a menace to the Germans. Armies must be maintained to watch her closely, or even to interfere in her internal troubles. Viewed in the light of common sense, it would appear that the Allies have lost a treacherous ally and gained one of proven loyalty. It undoubtedly will require a greater effort and longer time to gain the victory than would have been the case had Russia remained true, but we will win. This country is soul and body in to win, and she has yet to taste defeat.

If an object is needed to show in what light Germany regards neutral nations, and to verify her estimate of a treaty as a "scrap of paper," the fate of Norway is ample for the purpose. That nation, although adhering scrupulously to a policy of neutrality has lost hundreds of ships by German submarines and mines, and not less than 5,000 lives with them. No one of the allied countries' navies have suffered to the extent that Norwegian shipping has suffered.

There indications that Mr. Hoover's efforts will eventually bring floor on speaking terms with the people.

## SCHOOLS TO AID IN CONSERVATION

Doctrine of Meatless and Wheatless Days to be Presented to School Children Soon

### APPEAL TO PATRIOTISM

Superintendent of Wells County Has Taken Lead and Mailed Letters to Each Teacher

Indianapolis, Jan. 7.—A catechism of food conservation covering the reasons of the food administration for meatless Tuesdays and Fridays, wheatless Wednesdays, porkless Saturdays and absolute abandonment of use of bacon is finding universal favor with the school authorities.

It has the indorsement of State Superintendent of Public Instruction Horace Ellis, the Educational Section and the Indiana State Council of Defense and being urged generally by State and County food Administrators.

County Superintendent A. H. Huyette of Wells County, co-operating with County Food Administrator, W. A. Kunkel, has taken the lead in the campaign. He has mailed to each of the 126 school teachers in the county a letter recommending that they include in their daily program something pertinent to the subject of food conservation. Attention will be directed, on appropriate days, to the shortage of meat, wheat, sugar and fats. Why the American people must conserve these staples will be emphasized and substitutes of equal nutritive value will be pointed out. It is believed, in this manner, many homes not otherwise accessible, will be reached by the patriotic doctrine that is of first importance in winning the war—Save and Substitute.

It is not the purpose of the Food Administrator to recommend any special or particular form of instruction, nor to make conservation a text for study. Rather it is believed, greater good will be accomplished by an informal presentation of the truth of the situation and an appeal to the patriotic spirit of boys and girls who may become the inspiration of a more general patriotic attitude in homes where there is now a manifest lack of interest in the subject. A clearer conception of what actually constitutes war time economy will be recommended to teachers as one of the important and essential points for elucidation.

### No Longer Competitive

J. P. Stech, who retired as city treasurer, once had a competitive nature, but alas no more can he think of competition without having horrible thoughts of the good hours of sleep he lost.

He was working diligently over his books in the city treasurer's office the other night. He thought it was about time to go home. Looking out the window and across the street, he saw the lights burning in L. C. Lambert's office and resolved that he would work as long as Mr. Lambert. Finally he reached the stage where he could no longer hold his pen, and looking at his watch, found it was 3:30 a. m.

He went across the hall into the sheriff's office, lay down and fell asleep. In the meantime his daughter had awakened. Not finding her father in bed, she called the police and they were on a still hunt for the city treasurer for several hours.

Mr. Stech woke at six o'clock and Mr. Lambert's lights were still burning. He afterwards learned Mr. Lambert had forgotten to turn them out when he left.

Get at the Real Cause—Take Dr. Edwards' Olive Tablets  
That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.  
Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.  
If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.  
Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, cramps or pain.  
Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.

Nerves Back In Good Shape Now

Woman Couldn't Stand Noise Children Made at Play Before Taking Tanlac.

"I was so run down and nervous that I couldn't stand the noise the children made at play, but since I've been taking Tanlac my nerves are back in good shape," said Mrs. Amanda A. Fosler, 703 Ruddle, Anderson, Ind.

"I was run down and weak all over and I felt tired out all the time. My appetite was very poor.

"I read about Tanlac in the newspapers and finally tried it. It has built me up and strengthened me so that I feel better in every way. My nerves are back in good shape now. I have a good appetite now, too.

"My mother has taken Tanlac also and she thinks it is one of the best tonics she ever heard of."

Tanlac is a vegetable tonic especially designed to build up run-down systems. Get Tanlac if you are not feeling right and get it today. Delay in health matters is dangerous. You can get Tanlac at F. E. Wolcott's drug store or any other good drug store. Adv.

BEST YEAR YET FOR STATE FAIR

1917 Fair Made Better Showing by \$30,000 Than Did the Fair of Previous Year

NEXT FAIR OPENS SEPT. 2

Plans For This Year's Fair Already Under Way—Premium List Will Be Made Soon

Indianapolis, Ind., Jan. 7.—When the State Board of Agriculture holds its annual meeting on Jan. 8, the reports of Charles F. Kennedy, recording secretary, and William M. Jones, financial secretary, will show that the Indiana State Fair of 1917 in many ways had the best year in its history. In increased receipts and reduced expenses of operation, the fair of 1917 made a better showing by \$30,000 than did the fair of 1916 as the profits of the last fair were about \$17,000, while the loss on the fair of 1916 was about \$13,000.

When the board was reorganized a year ago, it at once began a year of economical management. It saved several thousand dollars on special attractions, although it did not reduce the quality of these features, and it saved about \$6,500 on advertising by eliminating bill boards and placing its publicity in display advertising in about 140 Indiana newspapers. The fair management pinned its faith on the newspapers and the crowds at the exposition showed that the desired results were obtained. For the attendance records were broken on Wednesday and Thursday, the two chief days. The total attendance for Wednesday was practically 60,000 and for Thursday about 70,000. The total attendance for the week was about 170,000. The total receipts for the week were \$103,646. The profits for the week have been used to lift indebtedness of previous years, while the fair starts the present year in easier financial condition than ever before.

The fair this year will be held the week of Sept. 2, and preparations for it are now under way. The premium list will be made up by the Board of Agriculture in February and arrangements for many new attractions will be made. The fair this year, as did the last, will in many ways support the U. S. authorities in promoting movements in food production and conservation and other affairs that will help win the war.

TODAY'S ODDEST STORY

Warsaw, Ind., Jan. 7.—Roy Fawley drained his radiator, containing about one-third anti-freeze, into a tub in the barn, one cold night recently. Young Rhodes, who drives "old Bill," the grocery horse, went to take him out the next morning and thinking the tub contained the horses morning drink allowed the animal to drink the water and incidentally the chemical solution.

No alarming symptoms have yet appeared although a veterinarian is held in readiness.

SUGAR RULING AWAITS SUPPLY

Increased Allowance of Sugar to Confectioners Held up For Ample Supply

PROBABLY WITHIN FEW WEEKS

New Ruling Will Continue Only as Long as the Manufacturers Show Proper Co-Operation

Indianapolis, Ind., Jan. 7.—Announcement of an increased allowance of sugar to confectioners and manufacturers of non-essential food stuffs from fifty percent of their normal requirements to eighty percent, were premature. Dr. Harry E. Barnard, federal food administrator for Indiana, has just received notice from Herbert Hoover, federal food administrator, that this proposed arrangement will not become effective until an ample sugar supply is available, "probably within a few weeks," and then. Mr. Hoover's telegram adds, "will last only so long as the manufacturers show co-operation with the food administration."

The announcement of the increased allowance was hailed by confectioners, especially with pleasure, inasmuch as many of them had protested to the food administrator that they had been deprived of practically their entire sugar supply by the demands of the holidays for candies and confections. Requests have been coming in to the office of Dr. Barnard for assistance in securing the eighty per cent they thought they would be allowed to have. The subsequent announcement of Mr. Hoover was received with proportionate disappointment.

Following is the latest official notice received by Dr. Barnard from Mr. Hoover:

"Referring to telegram advising of an increase in the allowance to confectioners from fifty to eighty per cent, this increase is not to become effective until ample sugar supplies are available, probably within a few weeks and then will last only just so long as manufacturers show co-operation with the food administration in absolute reduction of the sugar content of products, and not forcing their manufactured articles. The sugar division's reason for the statement was the pressure of manufacturers to know if they should make wholesale reductions in their staffs and consequent hardship on a large class of workers. It may be necessary, eventually, to reduce below eighty percent, but if so we wish to do so gradually so as to cause the least amount of suffering possible. Any misconception of refiners or sugar distributing committees on this point will be rectified by wire at once."

DISTRICT MEETING TO BE AT CONNERSVILLE

Rush, Fayette, Franklin and Union Counties to be Represented at K. of P. Meeting.

DATE SET SATURDAY JAN. 12

Representatives of the local Knights of Pythias lodge are planning to attend the annual meeting to be held in Connersville on next Saturday, January 12, which will be held for the twenty-first district of the lodge. Rush, Fayette, Franklin and Union counties are included in this district, which embraces 13 chapters of the order. Members of the grand lodge of the state will also attend the meeting.

The meeting will be held in the afternoon and evening and matters of business importance to the lodge will be brought up during the sessions. Usually about 150 visitors and delegates attend this meeting but members of the lodge are expecting this number to be less this year because of the number of members who have enlisted. However, a representative number from each of the lodges is expected to attend.

# SOCIETY

The first meeting of the Glenwood Sorosis Club following the Christmas vacation will be held tomorrow afternoon at the home of Mrs. Joseph Walther in Glenwood.

The roll call will be responded to with descriptions of favorite pictures after which Mrs. A. J. Britt will read a paper on, "Famous American Women Painters." "Makers of American Art," will be discussed by Mrs. Thomas Powell and a paper on, "Beautiful Children in Art," will be read by Mrs. Charles Newhouse.

The local members of the club will go to Glenwood on the 1:42 traction car.

Mrs. Chester Ridout, the retiring teacher of the Busy Bee Sunday school class of the First Baptist church and Mrs. Clifford Steffy, the newly appointed teacher of the class were the honored guests at a delightful social affair which was given Saturday afternoon at the home of Miss Lois Ethel Steffy in North Harrison street.

The regular business meeting was held when the year's business affairs were completed after which the guests enjoyed an afternoon of games of various kinds. Light refreshments were served.

The first meeting of the Bible Study class of the Epworth League of the St. Paul's M. E. church will be held at the home of Miss Helen Sender at 402 West Second street. The class will take up the "Life of Christ," and the course of study will be led by Miss Macey. The classes will meet at 7 o'clock on Monday evening, for eight weeks. The meeting will last one hour. Thirty-one have signed up for membership in the class and anyone else wishing to do so may attend the meeting this evening.

Six girls organized a new club on Saturday at the home of Miss Phyllis Casady and had their first meeting there. The club has been named the D. D. D. Club and will have meetings at regular intervals. The meeting Saturday was a social one and followed by the service of light refreshments. The girls organizing the club were the Misses Casady, Mary Louise Wyatt, Marguerite Kelly, Josephine Scholl, Jean Sparks and Elizabeth Pierson.

The members of the Immaculata Sodality of the Catholic church will give an entertainment Wednesday

evening in the Knights of Columbus hall in West Second street. The sodality members will meet this evening at the home of Miss Theresa Reardon on West First street, to make final arrangements for the affair.

Mrs. Guy Abercrombie will attend the meeting of the board of directors of the Indiana Federation of Woman's clubs which will be held Wednesday at the Claypool hotel in Indianapolis.

As district chairman of the federation, Mrs. Abercrombie has been asked by Mrs. Moore of Kokomo to adjust the club work in the district so that as much war work as possible will be done by the local clubs as well as those through the entire district.

The meeting which is called for Wednesday will be for the purpose of outlining the year's work.

Charles Hokey of the 139th Field Artillery, stationed at Camp Shelby, Miss., who is home on a ten days furlough was the guest of honor at an informal dinner party given Sunday evening by Miss Elsie and Herbert Walker.

The other guests included the Misses Mildred and Ada Wolters, Naomi Cox and Lowell Smalley. During the evening the guests were entertained with music and cards.

The Misses Joan and Margaret Weakley, Magadine Arbuckle, Helen Matlock and Mildred Kirk, Frank Muire, John Tompkins, Harold Miller and Ralph Plessinger were among the guests at an evening party given at the home of Harry Briggs in Shelbyville Friday evening. The social event at which forty guests were entertained followed the Rushville - Shelbyville basketball game.

Miss Catherine Caron entertained with a theater party Saturday afternoon after which refreshments were served at the candy kitchen. The guests included the Misses Margaret Kirk, Anna Reardon, Norma O'Neil, Allene Geraghty, Florence Conning and Eloise Kelly. The hostess returned to Ursuline academy, Ohio, Sunday where she is attending school.

The news of the recent wedding of Miss Larene Newhouse of Fort Wayne and Earl Jackson of Shelbyville is of interest to the friends of the young couple in this city. The ceremony was performed on January 4, and Mr. and Mrs. Jackson will make their home in Shelbyville. The bride has frequently visited Miss Pauline Gosnell of this city.

Mr. and Mrs. John Worthington entertained at their home in West Fifth street Sunday with a pitch-in dinner. Covers were laid for Mr. and Mrs. Otto Bussard and children, Mr. and Mrs. Howard Mahin and son, Mr. and Mrs. Leon McDaniel, Mr. and Mrs. Charles Offatt, Miss Hettie Retherford and Frank Priest.

Prof. William E. Jenkins will give a lecture this evening before the members of the Shakespeare Club and their invited friends in the library at the court house. Prof. Jenkins' lecture this evening will be on, "Charles Dickens," and will follow a program on that author given at a recent meeting of the club.

The regular meeting of the Ladies Aid society of the Main Street Christian church will be held Tuesday afternoon at 2:30 in the church parlors. The members of the society are asked to bring needles and thimbles as the afternoon will be spent sewing for the Red Cross.

Announcement have been received here of the recent marriage of Miss Elizabeth Klinsick and Paul Mattox, both students of Indiana university. Mr. Mattox lives in Bloomfield and the wedding took place in Lafayette. The bride has visited here and has a number of friends in this city.

Mr. and Mrs. Edward L. Beer entertained with a pitch-in dinner party at their home in North Morgan street Sunday evening. The guests included the members of the

Harmony club and Mr. and Mrs. Edward Pitman and Mr. and Mrs. Ray Lakin.

Mr. and Mrs. C. M. George of North Main street entertained at their home Sunday with an informal dinner party. The guests included Mr. and Mrs. Bert Heaton and family, Mr. and Mrs. Frank George and family and Miss Callie Moorhead of New Salem.

The Ladies Aid society of the First Baptist church will have the first meeting of the year in the church parlors on Wednesday afternoon. Business relative to the New Year will be brought up and considered.

Mrs. Edna Rockafeller, Miss Lela Brecheisen, Omer Trussler and Lon Sexton were the guests at a six o'clock pitch-in dinner at which Mr. and Mrs. W. O. Feudner entertained Sunday evening.

Mrs. Fred Cochran of West Fourth street will entertain the members of the Harmony club at her home on Thursday evening. The guests will be entertained at cards.

The Ladies Aid society of the Main Street Christian church will meet tomorrow afternoon at 2:15 o'clock in the parlors of the church.

The regular meeting of the Five Hundred Club will be held Tuesday evening at the home of Mrs. Walter Easley in North Perkins street.

Mrs. Walter Pearce will be hostess to the members of the Emanon club on Thursday afternoon at her home, 702 North Main street.

Mrs. J. C. Sexton will entertain the members of the Grand club at her home in North Main street Thursday afternoon.

Mr. and Mrs. Blaine Wilson spent Sunday as the guests of Mr. and Mrs. Lemuel Zumwalt north of the city.

## Red Cross Notes

Every woman residing in the vicinity of the Pleasant Ridge church is invited to attend the all day meeting of the Red Cross auxiliary of the church which will be held Wednesday at the home of Mrs. Enis of Homer.

The committee in charge of the affair is urging every woman to attend whether she is a member of the Red Cross or not in order that a large amount of sewing can be completed and the time lost during the Christmas holidays may be made up.

## WHY WE SELECTED THE Aeolian-Vocalion

In Preference to All Other Musical Instruments of the Phonograph Type

**FIRST**—We knew the reputation of the Aeolian company; we knew that they were the largest manufacturers of Musical Instruments in the world. Then why should they not build a superior Phonograph?

**SECOND**—We were convinced that the Vocalion reproduced both Vocal and Instrumental music more perfectly than any other Phonograph.

**THIRD**—That the Vocalion not only played records made by the great artists of the Victor and Columbia Companies, but that it played Pathe and Edison records equally as well.

**FOURTH**—The beautiful lines and finish of the Vocalion case woods which were free from all that outward flash so often seen in finishes of the cheaper machines appealed to us.

**FIFTH**—The fact that the Vocalion did each and everything any other Phonograph did, and that by the use of its five patented features, that no other Phonograph had, it did so many things that no other Phonograph could do, that it was really unbelievable until we were shown and thereby convinced.

**SIXTH**—By actual tests we were shown that the Vocalion played all makes of records with sixty-five per cent less scratch than any other Phonograph and that it would play any record much longer without showing wear on the record than any other Phonograph; the symphonic horn produced much richer, purer tones; the automatic stop worked perfectly on any size record from four to fourteen inches in diameter; the universal tone arm which enables it to play any disc record without making any change in the sound box whatsoever; the constant speed; non-vibrating multiple spring motor mounted free from contact making an absolutely noiseless motor; and last, but the most wonderful of all the patented features of the Vocalion—*The Graduola*—the feature that enabled you to actually play your own records with your own personal interpretation, shading the tone to suit your individual fancies. These are a few of the reasons why we selected the Aeolian Vocalion in preference to all others and for these same reasons you owe it to yourself to see and hear this wonderful New Phonograph of Richer Tone that you can play.

The Vocalion is no more expensive than other standard Instruments considering the quality.

We carry in stock all of the popular models — Non-Graduola models from \$45.00 to \$85.00; Graduola Models from \$110 to \$325; Art Styles to \$2,000.00

For a small down payment and a very reasonable weekly or monthly installment we will put one of these instruments in your home. Come in and let us show you, and you will agree that the Vocalion is the most wonderful Phonograph that you have ever heard.

THE AEOLIAN VOCALION

The Phonograph that will eventually be in your home.

## CITY OFFICIALS TAKE OFFICE TODAY

Will Hold First Meeting Tonight  
When Mayor Arthur L. Irvin  
Will Address Council

### OLD COUNCIL MEETS AT 10 A. M.

Members of Retiring Administration  
Praise Former Mayor Bebout  
For His Conduct of Office

New city officials were inducted into office at noon today. The old council met at ten o'clock this morning to clean up the business of the outgoing administration and a love feast was held, during which retiring councilmen, Former Mayor Bebout and heads of departments in the old administration spoke briefly. The new city council meets tonight, although it is not regular meeting night, because the law provides such a meeting shall be held.

Mayor Arthur L. Irvin's appointees, as announced several weeks ago by him, were read, and the new mayor announced that whatever remarks he had to make on taking office would be postponed until the meeting tonight. Mayor Irvin's committee appointments were the same as under the old administration, except that Frank Abercrombie, 1st ward councilman, takes the place of H. C. Flint, whom he succeeded.

At the love feast of the outgoing administration, appointees of the former mayor and retiring city councilman praised him for his fair dealing and his honest policy during his four years in office. The sentiment of all of them was that Former Mayor Bebout had dealt fairly and squarely and had conducted his office honestly and intelligently. They commented on the fact that the business of the city had been run without friction and that the administration had seemed like one big family, all working for the interest of the city.

Councilmen H. C. Scudde, A. P. Wagoner, H. C. Flint, Chase Manzy and E. A. Lee, Supt. Mahin of the water and light plant, Chief of Police Yakey, Clerk Carl Gunning and Street Commissioner Havens, all expressed these sentiments. J. P. Stech, retiring city treasurer, was the only member of the old city administration not present.

The former mayor expressed his earnest and sincere thanks to appointees and councilmen for their courteous treatment of him during his term in office. He commented upon the fact that everything had run smoothly and without friction, and that he had not missed a council meeting during his term. Mr. Bebout expressed the belief that every member of the council had tried to do right as they saw it and had voted intelligently on every matter coming before them.

The former mayor said that he was glad to have been mayor and that he knew he had not pleased everybody, but that he had tried to do right regardless of who was benefited or affected in any way.

"And I am going out of office with my conscience clear," he declared.

Mr. Bebout also referred to the city treasurer's statement for December showing net funds available amounting to \$25,530.12, and contrasted this condition with that of the city's financial affairs four years ago when the treasury was depleted and the administration taking office had to assume an indebtedness of between \$10,000 and \$12,000.

In addition to Mayor Irvin, new officials taking office were: treasurer, George Helm; clerk, Earl Osborne; councilmen—first ward, Frank Abercrombie; second ward, E. A. Lee; third ward, A. P. Wagoner; fourth ward, Chase Manzy; and H. C. Flint.

## INSPIRING WAR TALK GIVEN

Dr. W. B. Schultz of Ohio at Methodist Church.

Dr. W. B. Schultz of Worcester, Ohio, gave an inspiring address at St. Paul's M. E. church last evening taking for his text "He taught them as one with authority," and dealing in his sermon with the war and the question "why we are fighting it." His answer to the question was because of the material teaching of Germany; because of the fact that they have denounced the Christ and denied Him and put the Kaiser in His stead. By such teachings, they are disclaiming the divinity of Christ. Dr. Schultz's talk gave many ideas on the war and showed in graphic terms the right that is to come from it.

## DRAFT LAW HELD CONSTITUTIONAL

Supreme Court Decides Arguments  
of Objectors Are "Absolutely  
Without Merit."

RAISING ARMY IS NOT SLAVERY  
Grounds For Opposition to Draft  
Challenges Existence of All  
Powers, Court Says

(By United Press.)  
Washington, Jan. 7.—The supreme court today declared the draft law constitutional.

Chief Justice White in handing down the decision said the supreme court had reached the opinion that all of the arguments of the objectors were, "absolutely without merit."

Our mind is unable to conceive that raising of armies by draft is slavery, Chief Justice White said.

The decision of the court was unanimous. Refuting the argument of the draft objectors that congress did not have power to select men the chief justice said:

"As the mind cannot conceive an army without men to compose it, on the face of it, the question that it does not give power to provide for such men would seem to be too frivolous for further notice. The grounds for opposition to the draft challenges the existence of all powers."

## RUSH COUNTY TREATED TO RAIN AND SNOW AND WARM AND COLD WEATHER IN 48 HOURS

Rush County Treated to Rain and  
Snow and Warm and Cold Weather in 48 Hours

### NO COAL IN THE CITY TODAY

Rush county has run the whole gamut of weather conditions in the last forty-eight hours and is now back to where she started late last week when the cold wave disappeared. Saturday most of the snow melted and rain began to fall late in the day and continued most of Sunday. Yesterday afternoon the mercury began to drop and this morning was eighteen above. The temperature during the middle of the day was twenty above, according to the government thermometer at Manzy, but warmer weather is promised for tomorrow. Rainfall amounting to .78 inches fell yesterday and during the night changed to snow, which continued to fall all day.

The usual condition as regards fuel prevailed today, the city being without coal. The two cars receiving Saturday did not last long and no more arrived today. The county fuel administrator today requested eleven cars of coal for Rushville—one each for Carthage, Ginge, Falmouth, Glenwood and Milroy and six for Rushville. Not much coal has been coming through for Rush county since the first administration took office. The coal demands are very

## NEW PLAN BEGUN BY W. R. SPURRIER

Six-Day-a-Week School System to  
Dismiss Boys in Time to Work on  
Farms in Spring.

### BEGUN IN PRINCETON, ILL.

Former Rushville Man is Commended  
Highly For Patriotic Scheme  
to Get Farm Labor.

Whitelaw R. Spurrier, formerly of this city and now principal of the township high school at Princeton, Ill., has inaugurated a system in the schools there which is gaining favor over the state and many others—that of running a six-days-a-week school in order to dismiss a month early, thus giving the school boys an opportunity to work on the farms. In this way, Principal Spurrier will be instrumental in releasing 125 boys for spring work on the farms and will help increase the crop production in the county. Mr. Spurrier is a son of Mr. and Mrs. John A. Spurrier of this city.

Teachers and scholars of the Princeton schools have accepted the new plan enthusiastically. The schedules have been rearranged so that no course of study is slighted. By running school every Saturday as well as the remaining five school days of the week, all of the semester's work can be completed by May 7 instead of one month later.

The Princeton plan has been recommended to the other high schools of the state at the annual teachers' association meeting and has been highly endorsed by State Superintendent Blair and Dean Davenport of the Agricultural college of the state university.

In his letter to Principal Spurrier, Mr. Blair stated in part: "Should such a plan be found a possible one for all the high schools of Illinois our difficulties in farm draft could be easily taken care of without such radical adjustments as we suppose might be necessary."

The suggestion has also been made to Mr. Spurrier that the terms be rearranged in such a way that the school boys to aid the country in this month of November to aid in corn husking. It has been suggested that November is the busiest month of the year for farmers and that farm labor has been greatly decreased by the number of farm hands that have entered the army. With one million in the service, it is difficult to get enough help and the farmer who endorsed the plan to Mr. Spurrier said by next November, the situation would be in the service, taking many more hands away from their work on the farms.

Concerning the opportunity for school boys to aid the country in this way the practical farmer states: "It is a labor that high school boys can do and a profitable one for them too, for it is piece work. They could get six cents per bushel or perhaps a little more. It is comparatively light work but regular. The farmer boys know all about it. The town boys could easily get work in pairs on a wagon and the farmers would be glad to get them. Two boys could husk 70 bushels a day or could earn around \$2.50 a day. They would earn exactly what they do. They would need no gymnasium work during the time for in the husking field is being in nature's gymnasium."

"Now if the high school boys of the country towns of Illinois, Indiana, Iowa, Eastern Nebraska, and Ohio could start a month earlier in the summer by working the plan you are working this year, but instead of leaving out a month earlier in spring, give the month of November as corn picking vacation, you would be giving the labor of the boys of the community in the very busiest time."

The last batch of questionnaires will be sent out tomorrow, but it will be some time before the county army selection board has classified all of the registrants. The board is now behind—in fact the board never had any thought of classifying as fast as questionnaires were returned—because questionnaires have been coming back the last few days faster than they were being sent out.

Up to this morning when the board went into session, 556 registrants had been classified. The total number to be acted on is near 1,400, so that there yet remain more than 700 to classify. The board has been averaging about fifty a day so that it has at least fourteen days work ahead.

The board has listed the first non-combatant registrant. He is Harold E. Rutliff of near Carthage, who stated in his questionnaire that he had religious prejudice against war, being a member of the Friends church. He has been placed in class one and will remain there regardless of his religious belief. He will be called in his regular turn, but will be assigned to non-combatant duty, according to the selective draft regulations. It is understood there are two or three others who assert they are members of religious organizations opposed to war.

Robert Helm appears in class five today, having been placed there because of having been found physically defective. He had not yet been classified, but was given permission to be examined while home from University on holiday vacation.

Paul Spacey, originally classified in class four because of dependency claims, was moved to class one today.

## NEW CASE OF DIPHTHERIA

Harry Kennedy is Afflicted—Another Culture Negative

A new case of diphtheria has developed. It is that of Harry Kennedy of West Third street who is twenty-four years of age. The culture has been sent to Indianapolis for examination and although the report has not been returned, the attending physician is practically certain that it is diphtheria.

The report on the culture of Mrs. John Lucas, northeast of the city, who was thought to have diphtheria has been returned as negative showing that she does not have the disease.

## PUT AN END TO PEACE DISCUSSION

Message From German Delegates at  
Brest-Litovsk Reaching Amsterdam Make This Plain

### GERMAN SOCIALISTS SPEAK

Advise Bolsheviki Foreign Minister  
Not to Accept Peace Terms of  
Their Country

(By United Press.)  
Approves Premier's Speech

London, Jan. 7.—American Ambassador Page conveyed to President Wilson approval of Premier Lloyd-George's speech to the British statesmen, according to a report here this afternoon.

No details were available here as to the manner in which the American executive had thus approved Lloyd-George's address.

### German Socialists Opposed

Amsterdam, Jan. 7.—Independent socialists in Germany have sent a message to Bolsheviki Foreign Minister Trotsky advising him not to accept the German terms and to avoid a separate peace according to reports received here today.

### Allied Premiers to Meet

Paris, Jan. 7.—An early conference of the allied premiers was reported today as likely to be called very shortly. Presumably such a conference will decide the exact outline for a joint restatement of allied war aims.

Amsterdam, Jan. 7.—Notice that the Russian German peace discussion at Brest-Litovsk is concluded was contained in German dispatches from that place, said the Russian delegates today. The message, according to word from Berlin, pointed out to the Russians that the principals announced by the Germans Dec. 15 "were expressly contingent that all belligerents unreservedly within a suitable period, would find they had strictly to observe these conditions."

The message continued that the delegates fix 10 days as the period within which other belligerents were to decide whether or not they will join the peace conferences.

"The central powers now record the fact," the message concluded, "that this period has now lapsed and so far there has been no declaration regarding participation received from any other belligerents."

## ARRESTED AS GERMAN SPY

Haas Kipkie, a florist formerly employed at Moore's greenhouse here, has been arrested as a German spy at Hattiesburg, Miss. Kipkie left here about ten years ago, after being employed at the local greenhouse for several years. He was known here as John Kipkie and will be remembered by many people. Kipkie will stand trial, according to dispatches from Hattiesburg. Kipkie is married.

## SIX DEATHS HERE IN LAST 48 HOURS

W. H. Williamson, Mrs. Asenath  
Drennen and Frederick Collins  
Expire Near Arlington

### ISAAC BORING SUCCUMBS

Only Five Days With Acute Indigestion Which Affected Heart  
—Death Due to Diphtheria

Six deaths have occurred in Rush county during the last forty-eight hours, an unusual record for so short a time. The first of the six to die was Mrs. Sarah Isabelle Gilson who expired at three o'clock Saturday afternoon. Three of the persons died near Arlington. They were W. H. Williamson, an old soldier, Mrs. Asenath Drennen and Frederick Leroy Collins, the infant son of Mr. and Mrs. Harry Collins. Bernard Canady died of diphtheria at the home of his parents northeast of Falmouth yesterday morning and Isaac Boring died at 11 o'clock this morning at his home northwest of Milroy.

Mr. Boring's death was caused by acute indigestion which affected his heart. He had been ill for only five days and died at the age of 73 years. He was a member of the Odd Fellows lodge in Milroy. The survivors are a widow and two daughters, Mrs. Jack Morgan and Mrs. Bate. Arrangements for the funeral have not been made.

Just two hours before, at nine o'clock, W. H. Williamson, died. Mr. Williamson was 81 years of age and asthma of the heart caused his death. He had been sick for about two months and during the last few days had grown much worse. He had served as a soldier in the Civil war. Mr. Williamson is survived by his widow and four children, Tom Williamson of Indianapolis, Oscar Williamson of near Arlington, Mrs. Nellie Six and Miss Ruth Williamson. The funeral arrangements have not been completed.

Mrs. Asenath Drennen, wife of Winfield Drennen, died at 2:30 this morning. Mrs. Drennen was 60 years of age and her death resulted from dropsy. Mrs. Drennen is survived by her husband and seven children who are Mrs. James Moore, Mrs. Bert Spacey, Bert Drennen, Carl Drennen, Cecil Drennen, Leslie Drennen and Ben Collins. The funeral services will be held tomorrow afternoon at 2 o'clock at the Arlington Methodist church with burial in the Arlington cemetery.

Frederick Leroy Collins, the infant son of Mr. and Mrs. Harry Collins of near Arlington died of a complication of diseases. The baby was eight months of age and had been ill for two months. He died at one o'clock this afternoon.

Mrs. Sarah Isabelle Gilson, 63, died on Saturday afternoon at 3 o'clock at the home of her son H. D. Gilson of this city. Mrs. Gilson has been ill for several years with valvular heart trouble and recently her condition grew much worse. She was the widow of the late Thomas Gilson. Three children survive: H. B. Gilson, Mrs. Al Reeve and Mrs. Carl Retherford. The funeral services were conducted this afternoon at the Center church with burial at the Knightstown cemetery.

Bernard O. Canady, the four-year old son of Mr. and Mrs. Claude L. Canady, died yesterday morning at the home of his parents four and one-half miles northeast of Falmouth yesterday morning after a two days illness with diphtheria. He was stricken with the disease on Friday and grew worse until the death. The funeral services were conducted yesterday afternoon at 2:30 o'clock with burial in the Calvary cemetery.

Mr. and Mrs. Jacob Wink leave tomorrow for St. Petersburg, Florida, to spend the winter.

Frank Muir, who has been employed in Richmond, has accepted a position in the Hargrove and Mullin drug store.

The Indian Refining company has filed suit in the circuit court against Samuel H. Colter and Willard W. Colter on an account, demanding \$350.

The divorce suit of Mary F. Beaver against U. G. Beaver, which was filed in circuit court here, has been sent to the Decatur circuit court at Greensburg on change of venue.

Dr. A. A. Mull has filed suit in circuit court against Fred H. and Clayton Dagler on a note and an account, demanding \$40 on principle and interest and \$20 attorneys fees.

Mrs. E. W. Ball, instead of Mrs. F. W. Ball as stated last Friday, is the person who has purchased the largest number of Thrift Stamps at the post-office. Her purchases amount to \$350.

Charles Glover says the fire department made a mistake reporting a fire Saturday at his house because there was no fire. It was stated at the fire department that a small bunch of shingles, near the stove caught on fire.

Classes were resumed at the Catholic school this morning after the school being dismissed for three days because of the lack of fuel. Only a small amount of fuel is now on hand but a large shipment is scheduled to arrive the middle of the week.

Lieutenant Raymond Ross of the French aviation service who spoke in this city during his furlough from France has left his home in Crawfordsville for New York and will sail on the ninth of January for France. Lieutenant Ross was granted a furlough of several months as a result of slight wounds he sustained from shrapnel.

Mr. and Mrs. Ell Stephens of Center township can probably boast of having the first baby born in Rush county during 1918. They have a new son which was born on New Year's day at 5 o'clock in the morning. If any Rush county baby can surpass the record for a New Year's birthday, the birth report has not yet been handed into the board of health.

Sergeant Harold Pearce who has been in training at Fort Houston, Tex., out of San Antonio, Tex., has been chosen as one of the three men out of a hundred in the ordnance department to go to Camp Meade out of Baltimore to take training in officers reserve. He may be sent to France from Camp Meade, although it is not definitely known. The course at Camp Meade will last 3 months.

### LAST BATCH TO BE SENT OUT TOMORROW

Continued From Page 1  
board in playing Spacey's questionnaire in Lee Marshall's cover sheet and was discovered Saturday. Spacey had never complained. He had been placed in class one for failure to return his questionnaire. He had to return his questionnaire, but when it was found in Marshall's cover sheet, the error was immediately rectified.

Thirty-nine more were classified Saturday, twelve going in class one, nine in class two, fifteen in class four and three in class five. This brings the total placed in class five up to 162.

SKIDS INTO LIGHT POST  
The cluster lights on the southeast corner of Second and Main St. were broken this morning when the machine which William Richardson of Glenwood was driving skidded and ran into the lamp post. Mr. Richardson paid \$83 for the re-installation of the lights. The accident happened as Mr. Richardson was going south and started to turn east at the corner. The ice and snow caused the machine to skid.

### A Woman's Burdens

are lightened when she turns to the right medicine. If her existence is made gloomy by the chronic weaknesses, delicate derangements, and painful disorders that afflict her sex, she will find relief and emancipation from her troubles in Dr. Pierce's Favorite Prescription. If she's overworked, nervous, or "run-down," she finds new life and strength. It's a powerful, invigorating tonic and nerve line, which was discovered and used by an eminent physician for many years, in cases of "female complaints" and weaknesses. For young girls just entering womanhood; for women at the critical time of life, in bearing-down sensations, periodical pains, ulceration, inflammation, and kindred ailments, the "Favorite Prescription" is the only medicine put up without alcohol ingredients on wrapper. All druggists. Liquid or tablets. Tablets, 60 cents.

After becoming a mother I could not gain back my strength. I was extremely nervous and became very weak. I was in a general run-down condition and two bottles of Favorite Prescription built me up and gave me a healthy, contented life. I can now do all my usual work and I can recommend this medicine to all women who are suffering from similar troubles. Mrs. G. E. Smith, 1015 W. 11th St., Chicago, Ill.

### Amusements

Particular attention attaches to the announcement that the feature at the Gem theatre tonight will be Baby Marie Osborne in "Tears and Smiles," owing to the fact that this is hailed as probably the strongest picture in which the little star with the big drawing power has even been seen.

The story carries a strong punch, yet it gives the baby a wonderful opportunity both for the delightful light work for which she is famous and for emotional acting, of which she is now showing herself capable.

"Tears and Smiles," is a straight story from the shoulder story, written, acted and produced by people who know box office values.

A Pathe News feature will also be shown. Tomorrow's program includes Gladys Hulette in "The Streets of Illusion," and another Pathe News series.

Corporal Bill McGinn of the French aviation service will speak this evening to the audiences at the Princess theatre on his experiences "over there." He has an interesting story to tell, according to those who have heard him. A patriotic play will also be shown with Alice Brady in the leading role as, "Betsy Ross." Elsie Ferguson is the feature on tomorrow's program when she stars in "Barbary Sheep." The play "Within the Law," will be shown on Wednesday and Thursday in which Allee Joyee has the lead.

# "Within the Law"

Occasionally there comes to the stage a drama of such power and understanding, a play that lies so close to the heart of humanity, that it rises above contemporary productions like a mighty rock in the sea. Such a drama is "Within the Law."

What if she stood without the pale of society, what if her methods of vengeance were those of social outcasts—the law could not touch her, for like those who wronged her, she played the game to the edge of danger, but stayed always "Within the Law."

# NOT DUE TO SEX ALONE

Rushville Women Have Learned The Cause of Many Mysterious Pains And Aches

Many women have come to know that sex isn't the reason for all backaches, dizzy headaches, and urinary disorders. Men have these troubles, too, and often they come from kidney weakness. To live simply, eat sparingly, take better care of one's self and to use Doan's Kidney Pills, is bound to help bad kidneys get better. There is no other remedy so well recommended by Rushville people. Read this case: Mrs. W. A. Wylie, 824 N. Arthur St., Rushville, says: "I have had kidney trouble and I certainly appreciate what a serious complaint it is and how severely one can suffer from it. My trouble began with a dull, dragging pain across my kidneys and over my hips. I was unable to do my housework for a week and was in misery. Others of my family had taken Doan's Kidney Pills with excellent results, so I got some from Lytle's Drug Store. I started using Doan's and the pain in my back soon disappeared."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wylie had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—(Adv.)

# Dogs or Sheep, Which?

There is a saying in this country, and it has grown into an adage, that the legislator who desires to commit political suicide has only to introduce and father a dog law, and the people will attend to the obsequies.

Yet the one thing which the various states stand urgently in need is just such legislative timber—men who are willing to forego political preferment if by so doing they can confer a great boon upon the country.

We are told that by the time another clip is made wool will be worth two dollars per pound. This in a country than which there is no better in the world for sheep raising.

What must be the amazement of the peoples of other countries when they are told that the only reason Americans are not sheep raisers is because of the dog—that the average citizen prefer his dog to his sheep or the sheep must go.

Statistics tell us that this country today is maintaining 25,000,000 dogs—on average of one to every family in the land. Placing the cost figure, these brutes will consume as much as half their number of human beings, saying nothing of their depredations. This is equivalent to feeding twelve and one-half million people or more than it will cost us to feed every soldier we will ever send to France.

But the more feeding of this horde of useless animals is by no means the big item. The great expense lies in the great menace which they con-

stitute to the sheep-raising industry. We would not be so unjust to the canines as to allege that all are addicted to sheep killing, or even would be if there were sheep available to be killed. But the uncertainty as to the guilty individuals brings the whole race under suspicion.

However, this country is now paying dearly for its devotion to the dog. It is conceded by all that his dogship is the one great deterrent to the sheep industry. In sections of the country where the people have had the wisdom to prefer the sheep to the dog prosperity has been a welcome guest. But these communities are rare, and over a large part of our sweet will.

So long as wool was cheap and easily procurable from other countries, the question as between the dog and sheep was not so pressing, and the American householder could be left in possession of his expensive luxury. Now, however, when the fleecy staple is conspicuous for its scarcity, the decision should be put squarely up to our people: "The dog or the sheep—which?"

This country had as well wake up to the fact that Russia is definitely out of running. The blow is a staggering one to the Allies, but should not be the cause of despair or even of undue pessimism. While her defection gives the German arms much needed relief, yet this country is ready now to step into the breach she has left. And unless all signs fail we shall be occupying that place by the time spring opens. Then again, with the acquisition of Russia Germany will probably acquire more of a liability than an asset. That country will be in the throes of civil war for years to come, and will not cease to be a menace to the Germans. Armies must be maintained to watch her closely, or even to interfere in her internal troubles. Viewed in the light of common sense, it would appear that the Allies have lost a treacherous ally and gained one of proven loyalty. It undoubtedly will require a greater effort and longer time to gain the victory than would have been the case had Russia remained true, but we will win. This country is soul and body in to win, and she has yet to taste defeat.

If an object is needed to show in what light Germany regards neutral nations, and to verify her estimate of a treaty as a "scrap of paper," the fate of Norway is ample for the purpose. That nation, although adhering scrupulously to a policy of neutrality has lost hundreds of ships by German submarines and mines, and not less than 5,000 lives with them. No one of the allied countries' navies have suffered to the extent that Norwegian shipping has suffered.

There indications that Mr. Hoover's efforts will eventually bring flour on speaking terms with the people.

# SCHOOLS TO AID IN CONSERVATION

Doctrine of Meatless and Wheatless Days to be Presented to School Children Soon

# APPEAL TO PATRIOTISM

Superintendent of Wells County Has Taken Lead and Mailed Letters to Each Teacher

Indianapolis, Jan. 7.—A catechism of food conservation covering the reasons of the food administration for meatless Tuesdays and Fridays, wheatless Wednesdays, porkless Saturdays and absolute abandonment of use of bacon is finding universal favor with the school authorities.

It has the indorsement of State Superintendent of Public Instruction Horace Ellis, the Educational Section and the Indiana State Council of Defense and being urged generally by State and County food Administrators.

County Superintendent A. H. Huyette of Wells County, co-operating with County Food Administrator, W. A. Kunkel, has taken the lead in the campaign. He has mailed to each of the 126 school teachers in the county a letter recommending that they include in their daily program something pertinent to the subject of food conservation. Attention will be directed, on appropriate days, to the shortage of meat, wheat, sugar and fats. Why the American people must conserve these staples will be emphasized and substitutes of equal nutritive value will be pointed out. It is believed, in this manner, many homes not otherwise accessible, will be reached by the patriotic doctrine that is of first importance in winning the war—Save and Substitute.

It is not the purpose of the Food Administrator to recommend any special or particular form of instruction, nor to make conservation a text for study. Rather it is believed, greater good will be accomplished by an informal presentation of the truth of the situation and an appeal to the patriotic spirit of boys and girls who may become the inspiration of a more general patriotic attitude in homes where there is now a manifest lack of interest in the subject. A clearer conception of what actually constitutes war time economy will be recommended to teachers as one of the important and essential points for elucidation.

# Here's Where the Fun Comes In

No Longer Competitive  
J. P. Stech, who retired as city treasurer, once had a competitive nature, but alas no more can he think of competition without having horrible thoughts of the good hours of sleep he lost.

He was working diligently over his books in the city treasurer's office the other night. He thought it was about time to go home. Looking out the window and across the street, he saw the lights burning in L. C. Lambert's office and resolved that he would work as long as Mr. Lambert. Finally he reached the stage where he could no longer hold his pen, and looking at his watch found it was 3:30 a. m.

He went across the hall into the sheriff's office, lay down and fell asleep. In the meantime his daughter

# STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, you don't care feeling, no ambition or energy, troubled with indigestion, bloating, constipation, or any of the stomach troubles, take Dr. Edwards' Olive Tablets. They are a purely vegetable compound, mixed with olive oil, so you will know from their name that they are gentle on the stomach. They will not only cure your stomach troubles, but will also keep you in good health.

ter had awakened. Not finding her father in bed, she called the police and they were on a still hunt for the city treasurer for several hours.

Mr. Stech woke at six o'clock and Mr. Lambert's lights were still burning. He afterwards learned Mr. Lambert had forgotten to turn them out when he left.

## Nerves Back In Good Shape Now

Woman Couldn't Stand Noise Children Made at Play Before Taking Tanlac.

"I was so run down and nervous that I couldn't stand the noise the children made at play, but since I've been taking Tanlac my nerves are back in good shape," said Mrs. Amanda A. Foster, 703 Ruddle, Anderson, Ind.

"I was run down and weak all over and I felt tired out all the time. My appetite was very poor.

"I read about Tanlac in the newspapers and finally tried it. It has built me up and strengthened me so that I feel better in every way. My nerves are back in good shape now. I have a good appetite now, too.

"My mother has taken Tanlac also and she thinks it is one of the best tonics she ever heard of."

Tanlac is a vegetable tonic especially designed to build up run-down systems. Get Tanlac if you are not feeling right and get it today. Delay in health matters is dangerous. You can get Tanlac at F. E. Wolcott's drug store or any other good drug store. Adv.

## BEST YEAR YET FOR STATE FAIR

1917 Fair Made Better Showing by \$30,000 Than Did the Fair of Previous Year

### NEXT FAIR OPENS SEPT. 2

Plans for This Year's Fair Already Under Way—Premium List Will Be Made Soon

Indianapolis, Ind., Jan. 7.—When the State Board of Agriculture holds its annual meeting on Jan. 8, the reports of Charles F. Kennedy, recording secretary, and William M. Jones, financial secretary, will show that the Indiana State Fair of 1917 in many ways had the best year in its history. In increased receipts and reduced expenses of operation, the fair of 1917 made a better showing by \$30,000 than did the fair of 1916 as the profits of the last fair were about \$17,000, while the loss on the fair of 1916 was about \$13,000.

When the board was reorganized a year ago, it at once began a year of economical management. It saved several thousand dollars on special attractions, although it did not reduce the quality of these features, and it saved about \$6,500 on advertising by eliminating bill boards and placing its publicity in display advertising in about 140 Indiana newspapers. The fair management pinned its faith on the newspapers and the crowds at the exposition showed that the desired results were obtained, for the attendance records were broken on Wednesday and Thursday, the two chief days. The total attendance for Wednesday was practically 60,000 and for Thursday about 70,000. The total attendance for the week was about 170,000. The total receipts for the week were \$103,646. The profits for the week have been used to lift indebtedness of previous years, while the fair starts the present year in easier financial condition than ever before.

The fair this year will be held the week of Sept. 2, and preparations for it are now under way. The premium list will be made up by the Board of Agriculture in February and arrangements for many new attractions will be made. The fair this year, as did the last, will in many ways support the U. S. authorities in promoting movements in food production and conservation and other affairs that will help win the war.

### TODAY'S ODDEST STORY

Warsaw, Ind., Jan. 7.—Roy Fawley drained his radiator, containing about one-third anti-freeze, into a tub in the barn, one cold night recently. ## SUGAR RULING AWAITS SUPPLY

Increased Allowance of Sugar to Confectioners Held up For Ample Supply

### PROBABLY WITHIN FEW WEEKS

New Ruling Will Continue Only as Long as the Manufacturers Show Proper Co-Operation

Indianapolis, Ind., Jan. 7.—Announcement of an increased allowance of sugar to confectioners and manufacturers of non-essential food stuffs from fifty percent of their normal requirements to eighty percent, were premature. Dr. Harry E. Barnard, federal food administrator for Indiana, has just received notice from Herbert Hoover, federal food administrator, that this proposed arrangement will not become effective until an ample sugar supply is available, "probably within a few weeks," and then Mr. Hoover's telegram adds, "will last only so long as the manufacturers show co-operation with the food administration."

The announcement of the increased allowance was hailed by confectioners, especially with pleasure, inasmuch as many of them had protested to the food administrator that they had been deprived of practically their entire sugar supply by the demands of the holidays for candies and confections. Requests have been coming in to the office of Dr. Barnard for assistance in securing the eighty per cent they thought they would be allowed to have. The subsequent announcement of Mr. Hoover was received with proportionate disappointment.

Following is the latest official notice received by Dr. Barnard from Mr. Hoover:

"Referring to telegram advising of an increase in the allowance to confectioners from fifty to eighty per cent, this increase is not to become effective until ample sugar supplies are available, probably within a few weeks and then will last only just so long as manufacturers show co-operation with the food administration in absolute reduction of the sugar content of products, and not forcing their manufactured articles. The sugar division's reason for the statement was the pressure of manufacturers to know if they should make wholesale reductions in their staffs and consequent hardship on a large class of workers. It may be necessary, eventually, to reduce below eighty percent, but if so we wish to do so gradually so as to cause the least amount of suffering possible. Any misconception of refiners or sugar distributing committees on this point will be rectified by wire at once."

## DISTRICT MEETING TO BE AT CONNERSVILLE

Rush, Fayette, Franklin and Union Counties to be Represented at K. of P. Meeting.

DATE SET SATURDAY JAN. 12

Representatives of the local Knights of Pythias lodge are planning to attend the annual meeting to be held in Connerville on next Saturday, January 12, which will be held for the twenty-first district of the lodge. Rush, Fayette, Franklin and Union counties are included in this district, which embraces 13 chapters of the order. Members of the grand lodge of the state will also attend the meeting.

The meeting will be held in the afternoon and evening and matters of business importance to the lodge will be brought up during the sessions. Usually about 150 visitors and delegates attend this meeting but members of the lodge are expecting this number to be less this year because of the number of members who have enlisted. However, a representative number from each of the lodges is expected to attend.

# SOCIETY

The first meeting of the Glenwood Sorosis Club following the Christmas vacation will be held tomorrow afternoon at the home of Mrs. Joseph Walbers in Glenwood.

The roll call will be responded to with descriptions of favorite pictures after which Mrs. A. J. Britt will read a paper on, "Famous American Women Painters." "Makers of American Art," will be discussed by Mrs. Thomas Powell and a paper on, "Beautiful Children in Art," will be read by Mrs. Charles Newhouse.

The local members of the club will go to Glenwood on the 1:42 traction car.

Mrs. Chester Ridout, the retiring teacher of the Busy Bee Sunday school class of the First Baptist church and Mrs. Clifford Steffy, the newly appointed teacher of the class were the honored guests at a delightful social affair which was given Saturday afternoon at the home of Miss Lois Ethel Steffy in North Harrison street.

The regular business meeting was held when the year's business affairs were completed after which the guests enjoyed an afternoon of games of various kinds. Light refreshments were served.

The first meeting of the Bible Study class of the Epworth League of the St. Paul's M. E. church will be held at the home of Miss Helen Seudder at 402 West Second street. The class will take up the "Life of Christ," and the course of study will be led by Miss Mavey. The classes will meet at 7 o'clock on Monday evening for eight weeks. The meeting will last one hour. Thirty-one have signed up for membership in the class and anyone else wishing to do so may attend the meeting this evening.

Six girls organized a new club on Saturday at the home of Miss Phyllis Casady and had their first meeting there. The club has been named the D. D. D. Club and will have meetings at regular intervals. The meeting Saturday was a social one and followed by the service of light refreshments. The girls organizing the club were the Misses Casady, Mary Louise Wyatt, Marguerite Kelly, Josephine Scholl, Jean Sparks and Elizabeth Pierson.

The members of the Immaculata Sodality of the Catholic church will give an entertainment Wednesday

evening in the Knights of Columbus hall in West Second street. The sodality members will meet this evening at the home of Miss Theresa Reardon on West First street, to make final arrangements for the affair.

Mrs. Guy Abercrombie will attend the meeting of the board of directors of the Indiana Federation of Woman's clubs which will be held Wednesday at the Claypool hotel in Indianapolis.

As district chairman of the federation, Mrs. Abercrombie has been asked by Mrs. Moore of Kokomo to adjust the club work in the district so that as much war work as possible will be done by the local clubs as well as those through the entire district.

The meeting which is called for Wednesday will be for the purpose of outlining the year's work.

Charles Hokey of the 139th Field Artillery, stationed at Camp Shelby, Miss., who is home on a ten days furlough was the guest of honor at an informal dinner party given Sunday evening by Miss Elsie and Herbert Walker.

The other guests included the Misses Mildred and Ada Wolters, Naomi Cox and Lowell Smalley. During the evening the guests were entertained with music and cards.

The Misses Joan and Margaret Weakley, Magadine Arbuckle, Helen Matlock and Mildred Kirk, Frank Muir, John Tompkins, Harold Miller and Ralph Plessinger were among the guests at an evening party given at the home of Harry Briggs in Shelbyville Friday evening. The social event at which forty guests were entertained followed the Rushville - Shelbyville basketball game.

Miss Catherine Caron entertained with a theater party Saturday afternoon after which refreshments were served at the candy kitchen. The guests included the Misses Margaret Kirk, Anna Reardon, Norma O'Neil, Allene Geraghty, Florence Conning and Eloise Kelly. The hostess returned to Ursuline academy, Ohio, Sunday where she is attending school.

The news of the recent wedding of Miss Larene Newhouse of Fort Wayne and Earl Jackson of Shelbyville is of interest to the friends of the young couple in this city. The ceremony was performed on January 4, and Mr. and Mrs. Jackson will make their home in Shelbyville. The bride has frequently visited, Miss Pauline Gosnell of this city.

Mr. and Mrs. John Worthington entertained at their home in West Fifth street Sunday with a pitch-in dinner. Covers were laid for Mr. and Mrs. Otto Bussard and children, Mr. and Mrs. Howard Mahin and son, Mr. and Mrs. Leon McDaniel, Mr. and Mrs. Charles Offutt, Miss Hettie Retherford and Frank Priest.

Prof. William E. Jenkins will give a lecture this evening before the members of the Shakespeare Club and their invited friends in the library at the court house. Prof. Jenkins' lecture this evening will be on, "Charles Dickens," and will follow a program on that author given at a recent meeting of the club.

The regular meeting of the Ladies Aid society of the Main Street Christian church will be held Tuesday afternoon at 2:30 in the church parlors. The members of the society are asked to bring needles and thimbles as the afternoon will be spent sewing for the Red Cross.

Announcement have been received here of the recent marriage of Miss Elizabeth Kimsick and Paul Mattox, both students of Indiana university. Mr. Mattox lives in Bloomfield and the wedding took place in Lafayette. The bride has visited here and has a number of friends in this city.

Mr. and Mrs. Edward L. Beer entertained with a pitch-in dinner party at their home in North Morgan street Sunday evening. The guests included the members of the

Harmony club and Mr. and Mrs. Edward Pigman and Mr. and Mrs. Ray Lakin.

word yesterday morning of the death of his father, who expired at his home in Westernfield, a suburb of Columbus, Ohio. Dr. Lambert's father was also a minister of the Presbyterian church. He died at the age of 80 years after a prolonged illness. Dr. Lambert left immediately for Columbus.

On account of the death, the patriotic service to have been held at the First Presbyterian church last evening was postponed until next Sunday evening at 7 o'clock. At the service, a service flag with 32 stars is to be presented by the Ladies Aid society to the church.

Joseph Tribble will return to Terre Haute tomorrow after a short business visit in this city.

## WHY WE SELECTED THE Aeolian-Vocation

In Preference to All Other Musical Instruments of the Phonograph Type

**FIRST**—We knew the reputation of the Aeolian company; we knew that they were the largest manufacturers of Musical Instruments in the world. Then why should they not build a superior Phonograph?

**SECOND**—We were convinced that the Vocation reproduced both Vocal and Instrumental music more perfectly than any other Phonograph.

**THIRD**—That the Vocation not only played records made by the great artists of the Victor and Columbia Companies, but that it played Pathe and Edison records equally as well.

**FOURTH**—The beautiful lines and finish of the Vocation case woods which were free from all that outward flash so often seen in finishes of the cheaper machines appealed to us.

**FIFTH**—The fact that the Vocation did each and everything any other Phonograph did, and that by the use of its five patented features, that no other Phonograph had, it did so many things that no other Phonograph could do, that it was really unbelievable until we were shown and thereby convinced.

**SIXTH**—By actual tests we were shown that the Vocation played all makes of records with sixty-five per cent less scratch than any other Phonograph and that it would play any record much longer without showing wear on the record than any other Phonograph; the symphonic horn produced much richer, purer tones; the automatic stop worked perfectly on any size record from four to fourteen inches in diameter; the universal tone arm which enables it to play any disc record without making any change in the sound box whatsoever; the constant speed; non-vibrating multiple spring motor mounted free from contact making an absolutely noiseless motor; and last, but the most wonderful of all the patented features of the Vocation—*The Graduola*—the feature that enabled you to actually play your own records with your own personal interpretation, shading the tone to suit your individual fancies.

These are a few of the reasons why we selected the Aeolian Vocation in preference to all others and for these same reasons you owe it to yourself to see and hear this wonderful New Phonograph of Richer Tone that you can play.

The Vocation is no more expensive than other standard Instruments considering the quality.

We carry in stock all of the popular models — Non-Graduola models from \$45.00 to \$85.00; Graduola Models from \$110 to \$325; Art Styles to \$2,000.00

For a small down payment and a very reasonable weekly or monthly installment we will put one of these instruments in your home. Come in and let us show you, and you will agree that the Vocation is the most wonderful Phonograph that you have ever heard.

### Mothers Thank Us

Keep your growing girls free from colds and weakening coughs and you are helping them to healthy vigorous womanhood.

Thousands of mothers have written letters of thanks, telling what

**Foley's Honey and Tar** has done for their daughters in ridding them of coughs that "hung on" and weakened them just at the age when the young girls required all the physical strength they could command.

Foley's Honey and Tar is noted for its quick effect on coughs, colds and croup.

Mrs. Ada Sanders, Cretontown, Teap., writes: "We use Foley's Honey and Tar as a throat and only cough remedy. It never fails to cure our two girls when they have colds."
